From LINDA.originals to co-productions and white-label videos. Embrace an existing format or an all-new custom-created video. An editorial format can be claimed in a unique way, using the visual design from the familiar full-stop in the LINDA. logo, known as 'bollboarding'. Contents: Bollboarding (logo+packshot), In-program, name in credits, link in article(in consultation) and sponsor mention in preview(in consultation). LINDA.originals is created by LINDA. and we drive the video content from an editorial viewpoint through a regular promotional pack, and in addition there are crosspromotional opportunities available with the Talpa Network. The same applies for the co-production where LINDA. and advertiser both are the visible content creators. If you, as an advertiser, would like to be the content creator, you have the option to create a white-label video. Created by and with LINDA.'s signature quality levels, where the content can be used any way you like. Media are purchased separately for white-label production.
